

Company Vision

Our passion is helping candidates to grow their careers and help our clients find their next all-star hire. Offering permanent placement, retained and contract search, the Invoke Staffing team is committed to facilitating connections with superior talent.

COMPANY PROFILE

Invoke Staffing and Recruitment professionals can help you find your next professional hire. Using our extensive network of firms and candidates, we can help you find your next position, or identify that ideal candidate for your next large project. Invoke Staffing has two focus areas, construction professionals and IT professionals.

STRATEGY

We are in the business of changing people's lives by connecting great people with great companies. We strive to fill the talent gap that our customers consistently experience in the employment marketplace. By challenging the status quo and standard hiring processes, we facilitate new conversations and relationships through referrals and a focused consultative search. Working only with select clientele, we are focused on the needs of our clients to truly deliver world class attention and candidates.

CORE MARKETS

- Construction
- Technology
- Telecommunications
- Marketing

AT A GLANCE

Since our inception, Invoke Staffing has placed candidates in professional construction positions (Project Managers, Superintendents, Project Engineers), technical roles (Big Data Analysts, Data Scientists, Software and Telecommunications Sales Professionals, DevOps, Front End Devs, Back End Devs, IT Managers, IT Practitioners and Help Desk professionals).
